## 2019 PROGRAMME

### EDUCATING THE MIND WITH A HEART

*(For Education Personnel)*

This 5-Day module will explore current concepts and practices capable of making learning and co-learning more enjoyable, and education more empowering. Educating the minds and hearts of

those entrusted to our care will demand that we, the educators, must develop our hearts and minds with which we attempt to educate. An essential constituent of the module is a basic understanding of the process of “**Being through Becoming**” of persons and the basic attitudes and skills required for “**being there**” for our learners who are in the process of becoming.

**March 11-15: (Last date to apply: February 11)**

**All-inclusive course fee: Rs. 5000**
